

OCPA REQUIREMENTS FOR LETTERS OF AUTHORIZATION REAL PROPERTY

Any person or firm acting as an agent for the owner of property in Orange County must have a letter of authorization from the owner. No confidential information can be released to that person or firm without a letter of authorization. The suggested OCPA letter of authorization is available for your use on our website, www.ocpaf.org, or you may request it from our office. If you choose not to use the OCPA form, you should provide the letter printed on the letterhead of the property owner. All letters of authorization must include the following:

1. The name of the person signing the letter must be printed below the signature.
2. If the individual signing the letter is not the name on our ownership records, the individual must identify their position and/or relationship to the owner of record.
3. If the individual is an officer of a corporation which owns the property, he/she must state their title.
4. The signature of an officer of a management firm is insufficient. The signature must belong to the property owner.
5. All of the properties to be represented must be identified by street address and parcel number.
6. The tax year or tax years for which the authorization is to be granted should be stated.
7. Letters of authorization do not have to be notarized.
8. Letters or forms may be mailed or faxed to:
