The Exterior Lines of this Township as delineated on the Plat were run by C.C. Tracy in 1856, except the eastern part of the line of Sec 7, which bordering with the N.W. lines of Sec 1 was surveyed in the month of April 1856 by F.M. Gould, Sft. Surv.

The South and West Lines of Sections 2, 3, 11 and 12 and the Township Line, north of Sec 2 and 6 were surveyed in August 1855 by W.H. Harris, D.S.

John W. Kent
Edward C. Utter
Chrmn.

Examined, compared with field notes and approved. Nov 12, 1856

Surveyor General
