SUPPLEMENTAL PLAT
Sec. 19, T. 23 S., R. 26 E., Tallahassee Mer.,
FLORIDA.

LEGEND

Scales: 1 inch = 100 feet.

Survey by Arthur W. Brown, Chief Geodetic Engineer, from January 11 to
July 9, 1909. Platted by army and navy u.s. engineers for group no. 13, Florida,
donated November 4, 1912. Approved by Arthur D. Ridder, Associate Surveyor of
Surveys, which were approved by the Commission of the general land office
on November 27, 1913.

Area of lands surveyed = 100.0 acres, not shown upon the plat approved
July 9, 1909.

Areas of previously surveyed lands not shown.

The undersigned hereby certifies that the survey delineated upon this
plot has been executed under his general direction and in accordance with
the approved special instructions, issued pursuant to authority contained
in section 24, chapter 22, act of February 17, 1907. All of the field notes and the plan of the survey have been carefully verified.
Denver, Colorado,
March 1, 1909.

Department of the Interior,
General Land Office.

The above supplemental plat of section 19, township 23 south, range 26
East., of the Tallahassee Meridian, in the State of Florida, is strictly con-
formable to the field notes of the survey thereof, in file in this office,
which have been examined and approved.

T. S. Surveyor General for Florida.
